

SCHOOL UNIFORM HANDBOOK

MORE THAN A SCHOOL

WE ARE FAMILY

SCHOOL UNIFORM AT STROTHOFF INTERNATIONAL SCHOOL

From kindergarten to the Diploma Programme, our students can be recognised by their uniform school clothing. We are convinced that this not only strengthens the sense of community, but also prevents social tensions and makes everyday life easier for you as parents.

You can find an attractive selection of clothing in our online shop: strothoff.uniphorms-shop.de

3 / REQUIREMENTS

The school team believe that uniforms allow students and staff to live our vision best: everyone contributes, everyone reflects, everyone grows. Students are responsible for making principled choices about their daily dress with the support of parents. Uniforms should allow students to reduce the distraction of comparison and make the learning environment more equitable. The policy will not discriminate based on gender identity, religion, socio-economic status, ethnicity, culture, etc. Students and families are accountable for making principled decisions about uniform as members of our school community as an example of upholding our shared values.

All students must wear their required uniform daily unless directed otherwise by school staff. It is imperative that students present a professional appearance and their uniform should be clean and in good repair.

4 / UNIFORM INFRACTIONS

School staff are responsible for ensuring consistent enforcement of the policy. In the event, a student is not in uniform (excepting accidents or emergencies out of the student's/family's control), the issue will be resolved as follows to ensure as little disruption of learning as possible:

1. A staff member will clarify the specific infraction to the student and direct them to the uniform shop/responsible staff member.
2. The staff member supporting the uniform shop will issue the student the required item of uniform clothing. They will notify and invoice the family for purchase immediately.
3. The student will return to class as normal.

In the event of repeated infractions or specific issues, care will be taken to address the issue individually.
