

## SCHOOL UNIFORM POLICY

It is our expectation that every student is neatly turned out in a clean and full school uniform. A student who is unsuitably dressed may be asked to return home to change clothing.

Diploma Programme students have off-campus privileges and every Diploma Programme student is issued with an ID card. The ID card has an important function: it is their personal identification when on campus and indicates when they are off campus (important for safety procedures, etc.) Aligned with the off-campus privileges and ID badges are certain uniform concessions. Diploma Programme students must wear their ID badge when in school and return it to the magnetic board at the reception, when leaving the building.

### School uniform and clothes list

Younger students are asked to bring an extra set of clothes in a bag which should be placed on their peg.

**Jewellery, makeup and nail varnish** – one discreet ring, one discreet bracelet, small stud earrings and a plain, simple necklace with a small pendant are acceptable, no other jewellery is allowed. Only discreet makeup and nail varnish are allowed.

**Head coverings** – Head coverings required to be worn for cultural or religious reasons are acceptable, if they do not interfere with the educational process, do not pose a safety risk (e.g. in PHE or Science), do not cover any part of the face, and conform to the School's uniform colour scheme: plain, single colour, dark blue, black, grey or red. In classroom situations where wearing earphones would not be allowed, students wearing permitted religious head cover will, upon request by any staff member, uncover their ears to confirm that they are not wearing earphones. Hats or caps are not permitted inside the school building. If in doubt, please contact the Head of School or relevant Principal.

### **RESPONSIBILITIES**

All belongings must be in good repair and clearly and indelibly named. All clothes must be marked (with name tapes and/or laundry pen). All other items, including personal effects, must also be clearly and indelibly marked. Students must wear the full school uniform at all times, including to and dismissal from school. Students not in uniform will not be allowed to participate in classroom, field trips and/or extracurricular activities – exceptions to this rule are within the discretion of the Principal or Head of School. Permission must be given by the Principal for students to change from the school uniform after school. This will only be given for special reasons and must be requested by the parent.
